**Final Application Deadline: January 9th**

# 2009 InvestMidwest Venture Capital Forum

**WHEN:** March 31-April 1, 2009

**WHERE:** Kansas City, MO

**WHO:** The audience includes venture capitalists, angel investors, investment bankers and financial and legal professionals.

**GOAL:** The main goal of InvestMidwest is to provide access to capital for emerging, privately held companies and to promote greater entrepreneurship, business growth and expansion in the region.

**FORMAT:** The 2009 InvestMidwest will include three separate industry tracks presenting concurrently: a life sciences track, an IT/general business track and an alternative energy/cleantech track. The presentations from 35 to 40 emerging businesses will each be ten minutes in length. An opportunity for individual meetings with the presenting companies will be provided.

**PROCESS:** High growth companies from throughout the Midwest will be encouraged to apply to present at the conference. The selection committee includes venture capital professionals from throughout the Midwest and select entrepreneurial legal and financial professionals.
